Jaiden Graciani

My name is Jaiden Graciani from Orlando, FL I'm 10 years old and I'm a first degree black belt. I represent Team Intensity from Championship Martial Arts- Curry Ford. My favorite weapon is the sword.

My first competition was the U.S. Open this year. I placed third in creative weapons. I also competed at the IMAF in Daytona Beach. I placed second in Creative Weapons. My most recent competition was at the Pan Am's in Miami. I placed third in Point Fighting and fourth in Creative Weapons.

My goal is to become one of the top swordsmen in the world and to become a top contender as a point fighter. My biggest challenge is my small size but don't let that fool you. I'm small but mighty and will continue to train harder every day to achieve my goals!

Kaiden Camacho

My name is Kaiden Camacho. I am 8 years old. I started Karate when I was 4 and fell in love with it. I am currently training at Millennium Martial Arts Academy in Hialeah, FL under Sensei Damian Rodriguez, Sensei Alec Llerena and Sensei Rashad Eugene along with several other Senseis assisting. There they have given me the tools to help me improve what I was previously taught and allowed me to grow in the Martial Arts world. I started competing in tournaments in 2019 and since then I have been 2019 FBBAX State Champion, 2020 USA Sport Karate State and National Champion, 2021 USA Sport

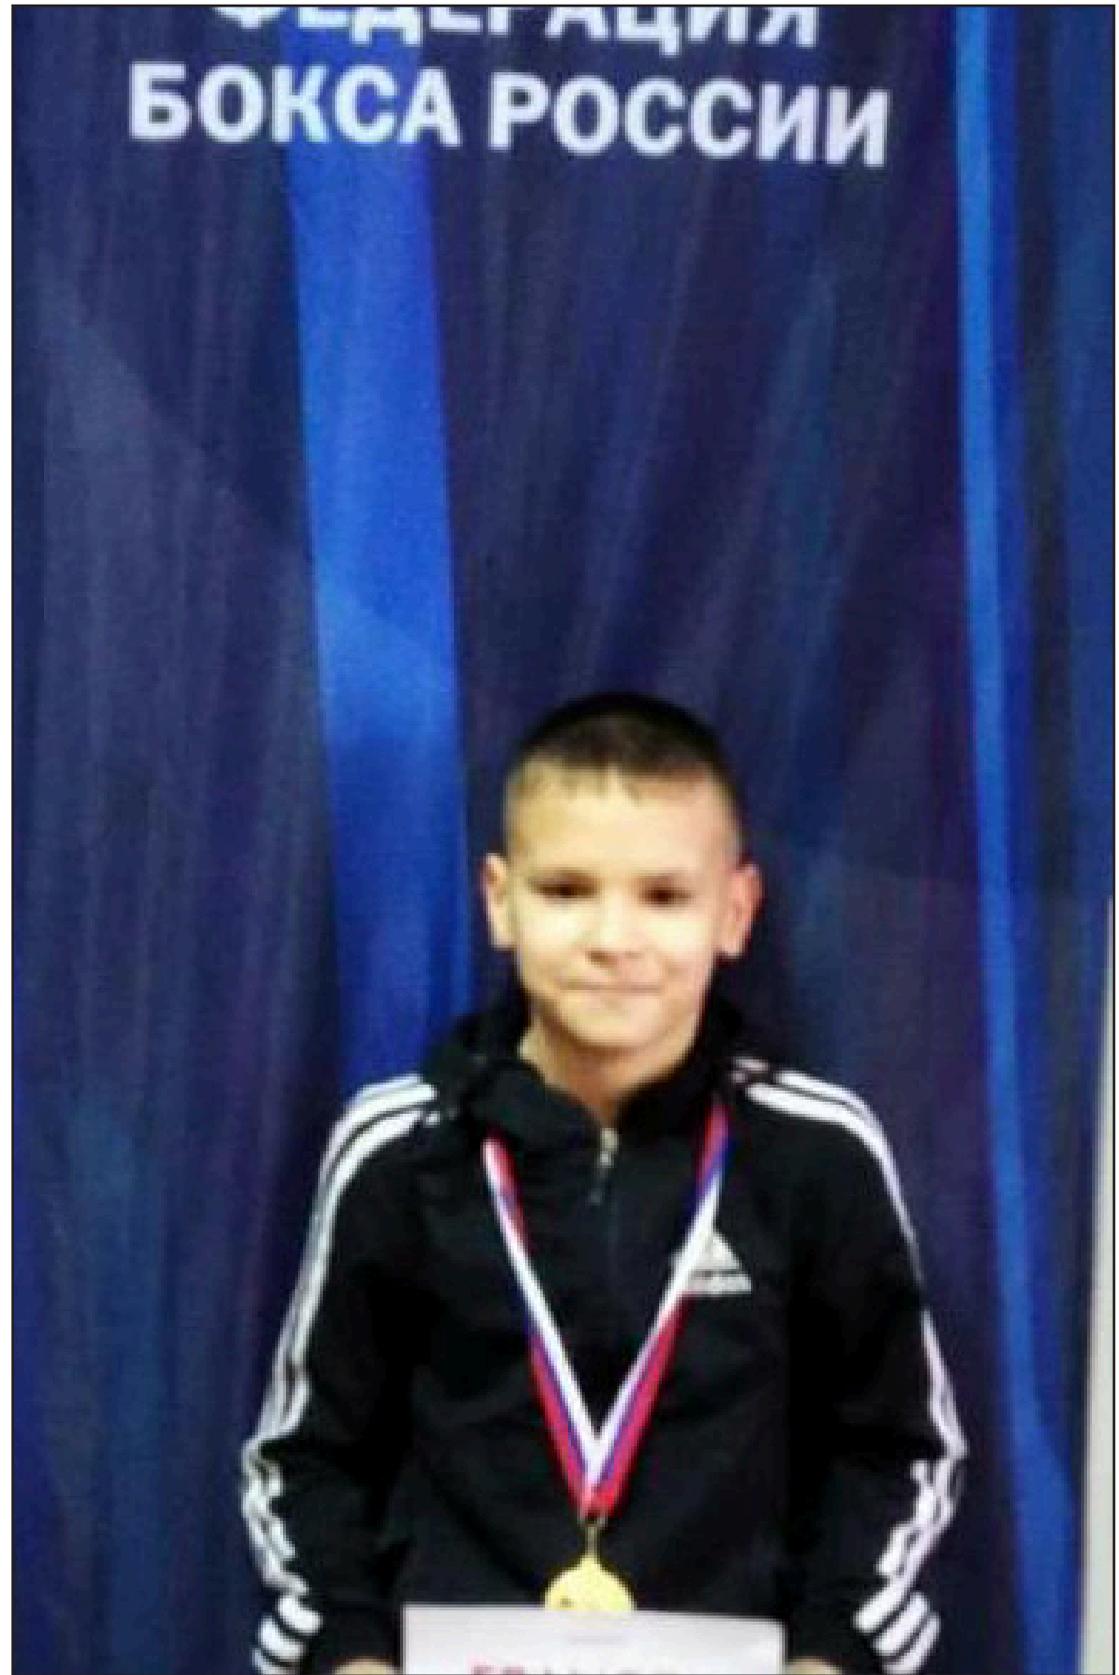

Karate State and National Champion and 2021 Naska World and National Champion for Naska. Along with winning 1st places in several local tournaments. My passion for karate is fed and encouraged by the support of my parents and family. My goal in life is to be a great martial artist one day. One who others look at as a role model and inspiration. And maybe even become a karate model or actor one day.

I have been doing karate since I was 6 years old. I had no idea that it would start this long journey ahead of me. I have received 2 black belts and have won multiple World and National titles in NASKA and multiple state titles in USA Sports Karate. In the end of 2019 I had 2 knee surgeries that set my training and competing back. But just a couple of months later I was already back in the game. This year has been very different and a fresh start for me.

My kata is the best it has been in years, I am stronger than ever, and most importantly I am the strongest mentally. I plan on starting new circuits, such as AAU, and my main goal is to reach my full potential and exceed all expectations that I have set for myself. I plan on staying consistent in my work and growing everyday. I can't wait for next year and what it will hold for me.

Sebastian Lopez

Sebastian Lopez is 12 years old and lives in Orlando, Florida. He is a proud member of Championship Martial Arts, Team Intensity, and is also part of their leadership program. His dream is to eventually make Martial Arts his career and inspire kids his age to do the same. Some achievements that he is proud of are earning his black belt and winning first place performing at the US Open in the team demo category. Some of the challenges he is

facing right now are learning more extreme tricks and becoming more agile but he is positive that with practice and patience, he will get it. Currently he is working his way to a second degree black belt and becoming an instructor at his dojo.

Яна

Привет меня зовут Яна, мне 14 лет, я живу на берегу Балтийского моря в городе Калининград раньше этот город назывался Königsberg. Тренируюсь я в школе Дзюдо и SAMBO RED STAR. Моя мечта стать лучшей в своём виде спорта, также хочу получить хорошее образование. Пришла я в спорт за своим братом который показал мне отличный

пример как надо работать над собой и добиваться успеха. Очень много сил вкладывает в меня мой любимый тренер Дима, тренировки с ним жду каждый день с нетерпением. Также не забываю про своих родителей которые не дают мне и брату опустить руки в тяжёлые времена.
